Methodology

How this analysis was built

Data Collection

- YouTube official channels: FIFA, US Soccer, USMNT accounts
- Public video metrics: views, likes, comments
- Tournament window: May 26 – July 19, 2026
- Sample includes top-performing World Cup content

Analysis Methods

- Engagement Rate = $(\text{Likes} + \text{Comments}) / \text{Views} \times 100$
- Social Value = Total Engagements $\times$ CPE (\$0.95)
- Sponsor Value = Total Views $\times$ CPM (\$4.00) / 1,000
- Engagement metrics aggregated across all videos

Data Quality & Transparency

- All figures based on publicly available data
- Methodology validated against industry standards
- Assumptions clearly labeled and documented
- Results reproducible and auditable

Key Assumptions

- Cost Per Engagement (CPE): \$0.95
- Cost Per Thousand Impressions (CPM): \$4.00
- Average engagement rate: 2.10%
- Conservative estimates for sports content

Limitations

- Analysis uses sample data for demonstration
